

Service Specialist II - Service Leader - Artificial Lift Weyburn, AB, CA, S4H 2K8

We are looking for the right people - people who want to innovate, achieve, grow and lead. We attract and retain the best talent by investing in our employees and empowering them to develop themselves and their careers. Experience the challenges, rewards and opportunity of working for one of the world's largest providers of products and services to the global energy industry.

Job Description

Job Duties:

- Under broad direction, performs Artificial Lift (AL) installations and pulls, checks, and troubleshooting.
- Provides instruction and technical support to customer personnel in the proper handling and operating procedures of ALs.
- Performs well production analysis and repair of AL equipment and understands how specific well conditions can impact pump performance.
- Tests, splices, and repairs cable and assists in service center operations as necessary.
- Prepares paperwork to include IFTA reports, billable and non-billable hours, and mileage.
- Trains and coach's new hires in basic principles.
- Promotes safety awareness and environmental consciousness and complies with all applicable safety and environmental procedures and regulations.
- Ensures compliance with Health, Safety, and Environmental (HSE) regulations and guidelines.
- Trains and mentors lower-level technicians at the well site.

Qualifications:

- Work Authorization: Halliburton will not sponsor applicants for work visas for this position.
- High school diploma or equivalent required.
- 4+ years of experience in artificial lift operations required.
- SAGD installation experience preferred.
- The ability to perform basic mathematical calculations involving addition, subtraction, multiplication, and division is required.
- Basic reading comprehension and writing skills are required.
- Class 5 non-GDL driver's license required and ability to provide copy of drivers abstract.

Candidates having qualifications that exceed the minimum job requirements will receive consideration for higher level roles given (1) their experience, (2) additional job requirements, and/or (3) business needs. Depending on education, experience, and skill level, a variety of job opportunities might be available, including Service Specialist III and Service Leader.
